

Wickenburg Art Center Featured Artist

Marian Van Cleave Koegele

Marian Koegele has been a Member of the Wickenburg Art Club since 2006. She has participated in many events and held several positions in the Art Club.

This past year she approached several members to bring in a photo of themselves so she could practice and maintain her skills in painting portraits. The idea turned into a fun and rewarding project.

There will be an exhibition of Marian's work Thursday November 2, thru Sunday November 19, 2017 at the Wickenburg Art Center in the Main Gallery.

You will find the portraits of the members truly interesting.
